

Product Selector

This Guide lists all Leonards Gourmet & Gluten Free Range products and should show you all the information you need, from visual appearance to EU Allergens.

Any product with a red X, contains an EU declarable allergen. The top bar shows all the declarable EU allergens that the site handles.

A note about nuts: Although neither Coconut or Chestnut are allergenic Tree Nuts, the site handles them with the same cross contamination controls as any other allergen as part of the Good Management Practice in place.
